

**“ASK-THE-EXPERT”
ABOUT STAFFING
WITHIN BEHAVIORAL HEALTH
INPATIENT PROGRAMS**

OBJECTIVES

At the conclusion of this teleconference, participants will be able to:

1. Identify major principles that underlie decision making regarding staffing in behavioral health inpatient programs.
2. Describe challenges unique to behavioral health staffing.
3. Identify strategies used by nurse experts in addressing staffing challenges.
4. List issues identified by other behavioral healthcare inpatient providers regarding staffing decisions.
