

## **“ASK-THE-EXPERTS” ABOUT GEROPSYCHIATRIC INPATIENT PROGRAMS**

### **OBJECTIVES**

At the completion of the program the participant will be able to:

1. List appropriate admission criteria for an inpatient geropsychiatric program.
2. Outline staffing requirements for an inpatient geropsychiatric unit.
3. Discuss ideas from clinical experts about the types of active treatment programming that is clinically effective and meets regulatory requirements.
4. Identify potential solutions to risk management issues specific to the geriatric population.
5. Discuss approaches to addressing discharge planning challenges faced within geropsychiatric units.
